

Kindergarten Screening and Registration

Friday, May 31st

1:00 - 3:00

We are holding a kindergarten screening and registration for children entering kindergarten for the 2019-2020 school year. This will be held on Friday, May 31st, from 1:00 to 3:00 in the Newton School kindergarten classroom. This will be an opportunity for you and your child to see the school and meet some of the K-2 teachers. In addition, it will give our K-2 teaching team and specialists a time to gather information about your child including interests, needs, and learning styles.

There will be play-based stations through which the children will rotate in a format called "play-based assessment." A staff member will accompany each child during the activities. While the children are involved in each of the stations in the kindergarten classroom, parents will be completing paperwork in the classroom next door.

Please call the school at 765-4351 to schedule a 30-minute time slot for the afternoon of May 31st if you haven't already. Please bring a copy of your child's birth certificate and immunization records. We can copy them here if needed.

Please contact us with any questions. Thank you.
